

# KEEPING YOU

# Safe

## WHAT YOU CAN EXPECT FROM US

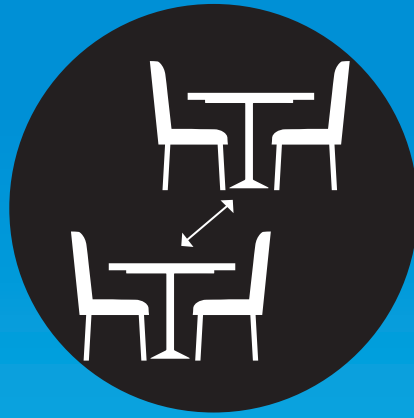

We've always had solid sanitary practices in place & we've added new precautions to keep you & our staff safe

### DISINFECTING & CLEANING

*We are...*

- Detail-cleaning high contact areas & restrooms
- Thoroughly sanitizing table tops & menus after each use
- Using disposable, single-use items when possible

### SOCIAL DISTANCING

*We are...*

- Increasing the distance between tables
- Limiting party sizes
- Designating separate waiting areas

### EMPLOYEE PRACTICES

*We are...*

- Requiring employees to wear appropriate personal protective equipment
- Assessing employee health before each shift
- Adding hand sanitizing stations
