

How To Create a Poll on Instagram

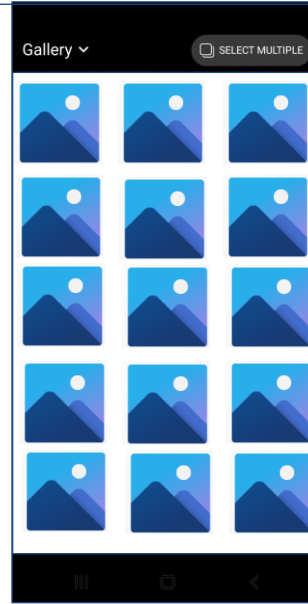

1. From your Facebook Business Page tap **+** on your profile picture to create Your Story

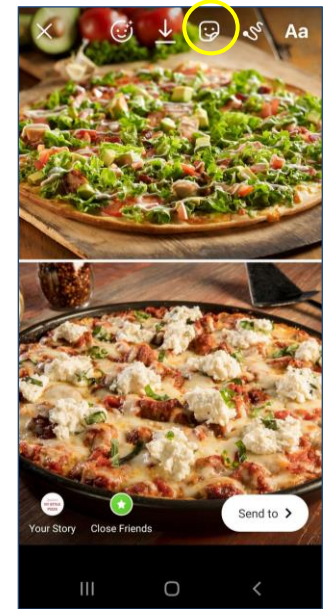

2. Take a picture/video of your LTO items or **swipe up** to select one from your Gallery

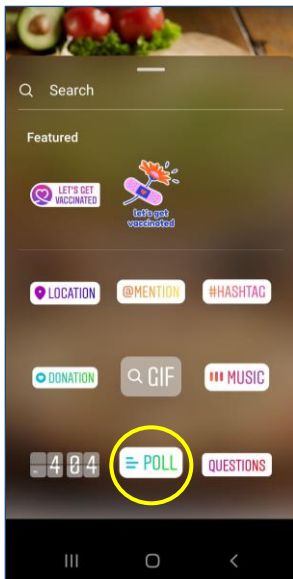

3. Select the image/video from your Gallery if desired, we strongly recommend featuring images of the menu items!

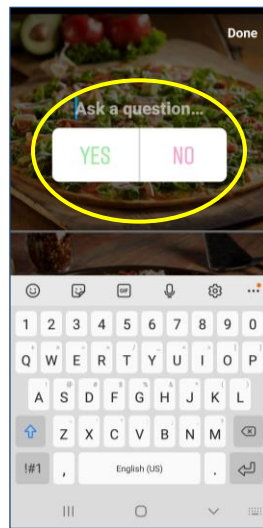

4. Tap the Sticker icon at the top of your screen

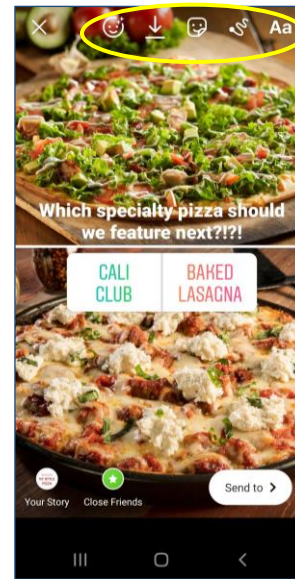

5. Tap to select the Poll sticker icon

6. Replace "Ask a question..." with the question you'd like to ask your customers, you can also tap on "Yes" and "No" to replace the options with your preferred text. Tap Done

7. Add any additional stickers, text or effects by using the tools in the top of your screen

8. Tap Send To and Share to publish on Your Story
